The word 'church' in the New Testament is translated from the Greek word **ekklesia**, which comes from two words: *ek* meaning 'out' and *kaleo* meaning 'to call'. An *ekklesia* or 'calling out' was not just an assembly. In Greek, there are many words that can mean assembly. The word *ekklesia* was a political term, not a religious term. Jesus was the King and the Bible used the term *ekklesia* for a good reason. In classical Greek, *ekklesia* meant: an assembly of citizens summoned by the crier; the legislative assembly.

In the Greek New Testament, the word **paraklete** is most prominent in John's writings and may be translated as: counselor; helper; encourager; advocate; or comforter. So, for our use, this is our worship helper.
