## ALTAR'D PEOPLE

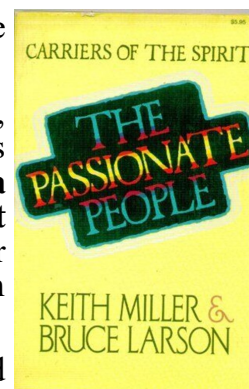

I recently had an appointment with one of my many physician specialists—the one who did my reverse shoulder replacement, back in March 2023. After he examined the shoulder's x-ray and did a strength test on me, he stood there staring at me. I wasn't sure what was going on, wondering what was wrong, until his nurse explained to him, "Kevin has lost 90 pounds, and so there is a lot less of him!"

I am thoroughly enjoying this weight management program, because I love the way it is altering the way that I look and feel. I have not felt this good in decades! As stated above, I have lost 90 pounds since I started this program in mid-September, and looking back at my weight nine years ago (topping off at 435 pounds back then), I have lost 165 pounds. When I told a man in our church about having lost that amount, he quickly shared with me that he himself weighed that very same amount—165 pounds—and that made me think, "I have lost (name)!" I am becoming an altered man!

In the month of April, I will offer a worship series entitled "**Altar'd People**." Four characters from the Bible will be our focus: Noah, Abraham, Elijah, and Paul. These people were altered by their own relationship with God...and it began when they learned to worship the Lord first and foremost in their lives. I am calling them 'altar'd people'—where the ALTAR of God's worship can ALTER the life of a believer.

Keith Miller, in his book *The Passionate People*, which he had co-authored with Bruce Larson, describes two kinds of people: **basement people** and **balcony people**.

Basement people are the discouragers in our lives. They may be people from our past, or present, but their words go with us everywhere we go. They are the negative influences in our lives, and their words go something like this: "**You can't do that**" or "**That's a stupid thing to do**" to "**When are you going to get it right?**" or "**You will never get it right**" to "**You will never amount to anything.**" Basement people divert us from our hopes and dreams. They constantly point out what is wrong, rather than what is right with us. Basement people cause a room to light up when they leave.

In contrast to them are the balcony people. They are people who are full of love and cheer us on. They encourage us to be loving, courageous followers of Christ. They sit in the balcony of our lives, like a heavenly cheering section, saying, "**You can do it**" or "**We believe in you**" to "**You are special to us.**" Balcony people are the great encouragers in our lives, and we all need them!

The question for all of us is who will we be? Will we be basement people or balcony people? The choice is ours to make. Balcony people try to lift people up to where they are, but basement people try to drag people down to where they are.

There is no question who God wants us to be. He wants us to be balcony people, and He will help us to be balcony people. What we need to do is come to the altar of our faith—that initial moment when we began our relationship with Jesus Christ. For it is then that we can also become 'altar'd people!'

Embrace grace!

IRAs and Tax-Efficient  
Charitable Giving:  
What You Need to Know

A **Qualified Charitable Distribution (QCD)** is a tax-smart way to support the First United Methodist Church. Starting when you turn 70 1/2 years old, you can make a QCD from your Individual Retirement Account (IRA). No income tax will apply to that withdrawal. Starting in the year you turn 72, each year you can choose to designate all or a portion of the Required Minimum Distribution (RMD) from your IRA to the church, and you will not count the gift in your adjusted gross income, so you won't pay income taxes on the amount. The amount you

give **will** count toward your RMD for the year. You can also name the church as beneficiary for all or a portion of your IRA, and there are tax benefits. Please consider these options, to support the mission and ministries of our church. Please contact your financial advisor or your IRA administrator, for instructions on how to do this. Contact the church office at 724-834-3111 to obtain the tax identification number.

The Trustees are already planning our annual yard clean-up for late spring. Our tentative date is June 22<sup>nd</sup>, and **we could use several volunteers** to help trim hedges, remove dead or unwanted shrubbery, plant grass, spread mulch, weed and lay down retardant material, shovel river rock into place, mow, and bag debris. Normally, this work takes about 2 hours, but this year – because of the ambitious project with river rock – it may take a bit longer, unless we get plenty of help. Please help, if you are able, even if it is only for an hour or so it will make the overall job go smoother and faster. Assuming we have enough workers, we will assign the work by categories and be otherwise organized, so we are efficient and not standing around wondering what to do next. Another reminder will appear in the May edition of the *Circuit Rider*.

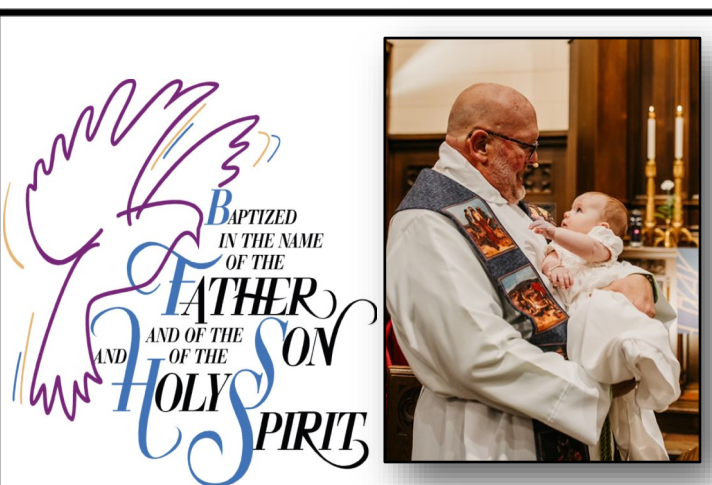

Five (5) years ago, the Trustees and other volunteers did a walk-around inspection of the entire church building. This produced quite a list of items that needed our attention. The cited concerns were addressed in quick order. Our intention was then to do this type of assessment every five years, to ensure things weren't being overlooked. Well, it's time again for that undertaking. The Committee was unanimous in our thinking to continue doing a review, so you will be alerted to a time when this will occur, and we need your assistance. It's not hard to do, and your help will be much appreciated - as well as enabling us to make sure the church continues to look good and be in good repair.

Also, we want to remind you that the church exterior will undergo a face-lift this spring. *Raimondo Restoration* will soon start cleaning the stone and brick facade, repair and seal mortar joints, and generally make our church smile! There should be no disruption of church activities, parking issues, or dangers entering or exiting the building. Things will look different for a while, but your patience will be requested, as God's house is renewed.
